

OUR HOLY MESS

Lubbock is growing and so are we!

We're located at 3814 130th St. right next to Loop 88 under construction. It has made us re-evaluate how the church uses the property, but we've never shyed away from a challenge.

The entrance from 130th St. is now closed and more than half of the front parking lot is being used for construction for Loop 88. Photo taken August 2023.

1. The best way to get to FPC is on Memphis Ave. Enter Memphis Ave. at 114th St. and drive straight through to 130th St. If you're coming from Quaker you'll turn right onto Memphis Ave. If you're coming from Indiana you'll turn left onto Memphis Ave. There is construction on 114th, so there is only one lane for each side.

2. If you continue on Quaker, turn left on 122nd St. Continue down 122nd St. until the end of the drive and turn right after Norfolk Ave. Drive straight then turn right on 123rd St. Follow the curve and you'll be back on 122nd St. Turn right on Memphis Ave. then follow it down to the church.

3. If you miss 122nd St., your last chance to turn is the housing complex on 125th St. Follow 125th St. until you take a right at Norfolk Ave. Continue down Norfolk Ave. until you reach 128th St. and turn left. Go down 128th St. until you hit Memphis Ave. and turn right, following to the church.

4. If you're on Indiana, you can use the directions at #1 or turn right just before the Sonic on 127th St. Go straight. The road will wind a few times. Turn left on Memphis Ave. to reach the church.
